ATTN : MR. WISDOM DONKOR

Dear Mr. Donkor,

RE : REQUEST FOR REVIEW OF .GH REDELEGATION AGREEMENT

Thank you for your letter dated 24 February, 2026 on the above subject.

Below are a few concerns we have with the draft Agreement that we want reviewed.

- a) There is no clause for a joint Transition plan to work towards a seamless transfer of the .gh top level domain from us to your Office even though we (GDC/GDNR) came to an understanding on the subject.
- b) We noticed that an important clause "*In the event of not being in a position to manage the Registry, give GDC the right of first refusal*" meant to safeguard DNS sovereignty previously agreed to is missing from your draft. We would want the missing clause reintroduced.
- c) We would want a new clause that will provide for the appointment of the following:
 - i. Nominee of the admin POC.
 - ii. A representative of GDC.
 - iii. A nominee of the Internet Society of Ghana.

As Trustees for purposes of managing the Trust Fund in clause 2.15 of your letter under reference for an initial period of three years. That at the expiration of the term, the entities whose representatives serve as trustees, shall either retain their nominees or appoint new trustees.

Clause 2. 15: We have noted the consideration of a one-time lump sum contribution of GHC 1,000,000.00 (One Million Ghana cedis) from GDNR for the establishment of Trust Fund for the benefit of Internet Society Ghana Chapter. However, we felt the figure was inadequate and suggest that GHC5,000,000.00 (Five Million Ghana cedis) will be appropriate to start a seed fund for Internet Society Ghana Chapter.

We would be grateful if you can make the necessary amendments shortly to enable us conclude and move the re-Delegation process forward.

Sincerely,

NII QUAYNOR
Admin POC
